taste Fruity

wine of origin Western Cape

body Full

tasting notes

This Chenin Blanc shows strong lime and some tropical fruit on the nose with a mineral palate of grape fruit and pear drop.

blend information

100% Chenin Blanc

food suggestions

This Chenin Blanc is a great accompaniment to dishes such as smoked chicken salad on a warm summer's day or thinly sliced carpaccio served on a bed of rocket with a lemon olive oil and black pepper dressing.

in the vineyard

Grapes are harvested from vineyards planted to decomposed granite and varying in age, but no younger than 30 years and up to 44 years.

in the cellar

Grapes are allowed short skin contact and natural settling in tank. 16% is fermented in 3rd and 4th fill French oak barrels and 84% in stainless steel after which both portions are kept 5 months on the fermentation lees before it is blended and fined. Fermentation is a slow natural process and wild yeast ferments like this can take up to 3 months to finish.
