

SPRINGFIELD ESTATE

ALBARIÑO 2021

We first discovered Albariño many years ago on our travels. Though many bottles of wine were drunk, it was the memory of the Albariño that stayed with us long after we returned home.

Over several years, the single bundle of vines we received from a fellow producer was slowly multiplied until a full vineyard was planted, and the crop it bore did not disappoint the memory of that magical wine we tasted so long ago.

Redolent and full bodied with apricot, nectarine and floral aromas, yet with a saline minerality and bright acidity, it's a wine that continues to captivate us to this day.
